Group Ordered to Cease and Desist From Transacting Business of Insurance

The Nebraska Department of Insurance issued a Cease and Desist against the following entities and individuals: Drivers Choice, LLC, Partnership Alliances, Inc., Partnership Alliances Group and Richard Kirklin, Lise Stanford; Financial One, LLC, and Philip A. Parimore; Consumer Health Solutions, LLC, a/k/a CHS a/k/a CHS Admin, LLC n/k/a New Source Benefits and Jack H. Hawkins, William Worthy III, Betty Hutchins, and Jollene Priester.

The Cease and Desist instructed the group to immediately cease transacting the business of insurance in Nebraska. The Department has reason to suspect that the group solicited the sale of health insurance to Nebraska residents who are self-employed over-the-road truck drivers from on or about July 2004 to February 10, 2006. During this time, Nebraska residents incurred medical bills that were submitted to the group for payment. Most of the medical bills remain unpaid. After investigation, the Department determined none of the entities or individuals were appropriately licensed as insurance companies, multiple employer welfare arrangements, third party administrators, or insurance producers. A copy of the text of the [Cease and Desist](#) is available on the Nebraska Department of Insurance website at www.doi.ne.gov. The Department recommends that individuals who purchased this product from these entities contact Christy Neighbors, Counsel for the Department of Insurance, at 402-471-2201 for further information.
